The bad news is that she no longer lives in the same neighborhood as her long-time best friend Naomi Davis. Amy is finding it increasingly difficult to spend time with Naomi. Instead of just Amy and Naomi doing things together, Amy's new school friend, Michelle Porter, has squeezed herself into the mix. Naomi is not pleased that over the remainder of summer vacation, her time with Amy is increasingly being shared with Michelle. From bike rides to art projects to shopping at their favorite craft store, things are changing between the old friends. Amy hasn't noticed the effect Michelle's company is having on her relationship with Naomi. How long will Naomi play third wheel, taking a back seat to Amy's relationship with Michelle? Will it be too late for Amy to restore her friendship...
