HOUSING RURAL POOR AND THEIR LIVING CONDITIONS

1987. Hardcover. Condition: New. 144 The cultural history of man viewed house as a place of safety and an important determinant of personal and family satisfaction. Modern housing includes for more than the living space and shelter. Its nature and value are determined by the facilities like neighbourhood, access to education, health amenities, security and availability of community facilities, employment and so forth. Only very few societies have been successful in providing adequate housing. A number of developing countries have...
